

Residential Project

CROWNGATE
PROJECT MANAGEMENT CONSULTANCY

A selection of one and two-bedroom brand new properties in a new project close to the centre of London's fashionable South Bank, just minutes from London Bridge Quarter, Westminster and The West End. This fantastic collection of contemporary condominiums are finished to the highest specification, and offers underground parking, a 24 hour concierge service and spectacular views of London's skyline.

Situated virtually equidistant between Southwark and London Bridge station, residents are provided with excellent connections across the capital; you can reach Bond Street in less than 20 minutes. Additionally, Southside is walking distance to both Kings College University and the City of London.
