## Grade A Commercial Offices

CBH is a business hub of commercial offices to assist Chinese companies looking to create a business presence and set up operations in the UAE.

CBH assists Chinese companies and individuals to set up an office in Dubai and provide the full business set-up services from start to finish. Chinese SME's and individuals benefit from a fast and efficient business start-up service, quick trade license & fast track visa issuance, a fully furnished and equipped office space in high quality commercial buildings, as well as document translation and procurement support.

The commercial offices are in the heartland of Dubai and provide a perfect location for SME's, with close proximity to Jebel Ali Seaport, the new Al Maktoum International Airport, soon to be the world's biggest airport with over 250 million passengers per year.
